Welcome to the Client forum update

The Client Forum meeting on 24 March was a packed meeting. We had David Annand giving a presentation about fundraising and some of our [fundraising campaigns](#) that we would love clients, colleagues and others to be involved in. We also heard from Sara Asaria about the updated client training module on 'Staying safe online' and Dave Hulme about the newly revised Safeguarding Policy.

Did you know?

All our training modules are now available on [Transform's website](#)?

Key topics from the last meeting

Sleep out at home

On Saturday 10 July will be first ever **Sleep-out event**, with participants sleeping out in their garden or backyard for one night to help raise funds for Transform.

Surrey Hills Challenge

On Sunday 26 September participants are invited to walk or run 5k, 10k, 21k, 42k or even 60k for the **Surrey Hills Challenge**!

Staying safe online

We reviewed the **Staying safe online** training module and received great suggestions from the group in the meeting and will be adding these to the module. If you would like help to complete this or any of the other modules, please speak to a member of staff.

Safeguarding

We have combined the safeguarding policy for adults with the policy for children and young people to create one overarching safeguarding policy. We discussed the revised policy to include new forms of abuse and has a new set of procedures to follow.
